Hello,

I'm checking in to see if you have heard about the Employee Retention Credit (ERC) program.

I have been working with Priority Concepts for a number of others clients and thought you might want to explore your options as well.

ERC is a refund in the form of a grant and can return up to \$26,000 per employee, based on wages, healthcare and other personnel related expenses that business owners, like yourself, have already paid. Unlike the Payroll Protection Plan (PPP), all businesses can qualify for ERC since you don't necessarily have to show a decline in revenues (though that helps).

The good news is the Priority Concepts team will explain the qualification process, analyze your business and submit everything needed to secure the grant at no upfront cost to you.

Simply click on this link to get started: <https://www.priorityconceptsinc.com/getstarted?rgid=3NJQAZ>

Thank you!

Hello,

I hope you're having a wonderful day. This is Dmytri with the New York Tribeca Group. Our company specializes in providing working capital to business owners such as yourself. We aim to provide funding to our clients in 24 hours or less. If you have more than 5 W2 employees, you might be eligible for federal grants even if you have PPP loans. Please note that this is a grant and you will not have to pay it back. The grant amount is around **\$26,000** per W2 Employee. We also offer Working Capital Loans, Merchant Cash Advances, Consolidations, Asset Based Lending and Lines of Credit. As stated before, we can approve you and get you funded the same day. The minimum requirements for the following programs are below.

- Credit score of 450 or above -
- Monthly gross revenue greater than \$5,000 -
- 3 Months of business bank statements -
- Being in business for at least 1 year -
- Lending limit \$5,000 to \$5,000,000 -

Please use the link below to access our website, so you can fill out the application. There you can upload the last 3 months of business bank statements and a month to date statement.

Working Capital Link Below

<https://www.nytribecagroup.com/application/?d.yanush@nytribecagroup.com>

ERC Link Below - Free to Apply

<https://www.priorityconceptsinc.com/getstarted?rgid=3NJQAZ>

We also offer secured programs that can net you working capital 7 times your monthly revenue. If you have collateral, please fill out the "Real Estate Asset Sheet" on our website when filling out the application. In regards to consolidations and lines of credit. When filling out the application, please include your existing position if you have any and let us know if you would like to consolidate. If qualified, we will buy out your existing debt and restructure the payments so they become more manageable depending on one's needs. For line of credit, please check off the "line of credit" option in the application when filling it out on our website. Merchant Cash Advances aren't a loan, because one is selling their future account receivables to the lender at a discounted rate. The benefit of Advances is that the threshold to be approved isn't as strict as traditional loans.

If you have any questions about our unsecured/secured programs, please call or text me at (718)-593-6658.

Best Regards,

Dmytri Yanush
